With over 320,000 residents, bustling markets, iconic music and arts venues, large-scale corporate businesses and small and medium enterprises, the borough is home to diverse, strong and engaged communities.

The Trading Standards team has an essential role in maintaining and developing Lambeth as a well-regulated, compliant free, safe place to live, work, visit and do business and we are now recruiting two posts within the team.

the full range of trading standards duties. This will involve carrying out inspections, responding to service requests and the investigation of complaints and preparation of criminal prosecution files across all disciplines including product safety, fair trading, doorstep crime, rogue traders, underage sales and metrology control (where suitably qualified). Excellent communication skills together with the ability to listen, explain, negotiate and influence and a focus on results are essential requirements for this post.

Occasional working outside of normal office hours is required for all posts. Successful candidates will be offered the post subject to clearance from the Disclosure and Barring Service. Further information can be found at www.disclosure.gov.uk
