Council

Lead Technical Officer (Food Standards & Feed Hygiene)

32 hours per week: SCP 26-28
(£25,122.16) - Ref: 4810

An exciting opportunity has arisen to work in a freshly redesigned team that prioritises improving standards in a high-performance culture. Shropshire, the second largest land-locked county is a great place to work and live - a predominantly rural area with the famous market towns of Shrewsbury, Bridgnorth, Ludlow and Market Drayton.

The candidate will be responsible for undertaking a varied workload of food standards and feed hygiene interventions/response to complaints/advising business on food/feed labelling requirements, undertake samples and inform inspection programmes based on intelligence.

The candidate will have the relevant CTSI qualification to undertake food standards and feed hygiene inspections or equivalent.

For further information: contact Matthew Aldridge on 01743 251700 email: food@shropshire.gov.uk or visit our website www.shropshire.gov.uk

Closing date: 26 August 2022
