### L6 Trading Standards Professional Apprenticeship Food & Feed Transition Information

CTSI has been working closely with the Food Standards Agency, and the Level 6 Trading Standards Professional Apprenticeship trailblazer group, for CTSI's Qualification Panel to map the L6 TSP Food and Feed elements to the Qualification Framework (QF).

Apprentices who wish to map into the QF will be required to submit their Food/Feed coursework and undertake a CTSI oral assessment.

CTSI will be conducting an audit of coursework that an apprentice has submitted for their Food / Feed elements of the apprenticeship.

CTSI will also be administering and assessing the oral examination which you will sit as part of the Food / Feed qualification.
