

## L6 Trading Standards Professional Apprenticeship

### L6 Trading Standards Professional Apprenticeship Transition Information

CTSI has been collaborating with the CSA and CTSI leading specialists in weights and measures, to review the training offering for the Weights and Measures within the Level 6 Trading Standards Professional (L6 TSP) apprenticeship with the purpose to identify a bridging option to enable apprentices who wish to obtain the Section 73 certification.

On conclusion of this work, it is recommended that L6 TSP apprentices who wish to transition to the CTSI qualification framework to obtain the Section 73 certificate undertake a further 3 days of training and all the weights and measures assessments. The CTSI weights and measures bridging option for L6 TSP apprentices has been approved by CTSI's lead officer/specialists and the Qualifications Panel (QP).

Recognising the requirement for flexibility for students and Local Authorities we have provided three package options for L6 TSP apprentices

#### Process & Guidance:

- Arrange a purchase order number with your finance team for the cost of the transition.
- Use provided purchase order number to register your place via the [online booking page](#).
- Enter all details required to ensure a smooth process.
- A confirmation letter will be sent to you from the Education Team once your booking has been processed.
- Further details regarding examination times and dates will be sent to you prior to the examination cycle.
- Details of the examination cycle week commencement dates are available on the [Exam cycle information](#) tab on the website.
- All queries should be directed to the [qualifications@tsi.org.uk](mailto:qualifications@tsi.org.uk) inbox.

#### Costs:

##### Option 1 (recommended)

This option will provide the apprentices with **all** the additional training that has been identified as being needed for trainees to prepare them to sit the assessments with CTSI.

Individual elements breakdown	Member	Non-Member
Registration fee W&M unit examination fees* 3 days training Practical and Oral training Professional Interview Mock Day Maths for Metrologists training	£3072 plus VAT	£3493 plus VAT

### Option 2

This option contains all exam fees, and the 3-contact days training in preparation for the written exam only.

Individual elements breakdown	Member	Non-Member
Registration fee W&M unit exam fees* 3 days training	£2197 plus VAT	£2504 plus VAT

### Option 3

This option contains the registration and exam fees only.

Individual elements breakdown	Member	Non-Member
Registration fee W&M unit exam fees*	£1642 plus VAT	£1838 plus VAT

\* Exam fees consist of written, practical, oral, professional interview, reflective statement and weights and measures portfolio. The generic skills portfolio **is not required** as part of the transition. This fee covers the first attempt only and will be subject to re-sit fees where an exam was not successful.
