## **Principal Trading Standards Officer**

**Closing date 30<sup>th</sup> March 2024**

**Interviews will be held W/C 14<sup>th</sup> April 2025**

Derby City Council are looking to recruit to the post of Principal Trading Standards Officer where you will join our busy Fair Trading and Product Safety Team, reporting to the Service Manager.

You will be an experienced, motivated, and enthusiastic team player with a passion for meeting challenges head on and delivering outcomes for the good of the city.

It is a line management role, and you will also be expected to take on some operational duties. You will therefore be faced with complex challenges requiring you to be methodical, using your problem-solving skills to identify practical solutions, based on sound judgement and reasoning.

You will have a relevant Trading Standards qualification such as the DTS, DCATS or equivalent, along with a relevant management qualification.

If you would like an informal discussion about this post please contact Donna Dowse, Service Manager for Trading Standards on 01332 641974 or via email [donna.dowse@derby.gov.uk](mailto:donna.dowse@derby.gov.uk) or, Rhia Dilloway, Principal Trading Standards Officer on 01332 641986 or via email [rhia.dilloway@derby.gov.uk](mailto:rhia.dilloway@derby.gov.uk).

Please be aware that where there are colleagues within the organisation who are 'at risk' of redundancy, requirements to redeploy to another suitable role will apply and take priority.

We are a fair and inclusive employer and welcome applications from people from all backgrounds. We recruit for diversity and value difference. As many of our roles can now be home-based, we are able to offer more opportunities for people who need this facility. We are proud to be a Disability Confident Leader. If you are a disabled person, you have the choice to apply under our Guaranteed Interview Scheme so long as you demonstrate that you meet the essential requirements for the job.
