

Big Hearts Big Changes

Directorate: Regeneration & Environment Financial Exploitation Officer

Location: Riverside House, Rotherham, South Yorkshire

Salary: £37,938 to £40,476

Job reference: REQ19472

Temporary Fixed Term (2 years), Full time, 37 hours per week

Working as part of the Trading Standards team the postholder will play a lead role in the development of the service's financial exploitation function with particular focus on the investigation of fraud cases involving rogue traders and designated carers.

As well as acting as the services lead officer the post holder will also be responsible for developing evidence and intelligence to investigate and disrupt financial exploitation and abuse of vulnerable residents.

The post holder will be responsible for developing collaborative working designed to enable the service to better identify areas of criminality that are causing loss to individuals and the local authority.

The post holder will help to evaluate and develop the services overall capacity to ensure that appropriate investigatory capabilities as well as support and referral mechanisms are in place for victims of financial exploitation.

The successful candidate will need to have extensive experience in enforcement, project delivery, partnership working and a proven commitment to building and strengthening local relationships as well as an excellent working knowledge of the needs of local communities.

The role will involve working independently but also delivering as part of a team on a wide range of initiatives and investigations. Some evening and weekend work may be required where necessary.

A well as focusing on delivery you will also be responsible for anticipating future requirements and writing and presenting formal reports and presentations. The successful candidate will have an excellent working knowledge of Microsoft Office packages and ideally familiarisation with FLARE APP and IDB or other intelligence software.
