FOOD TRADING STANDARDS OFFICER

EAST RIDING

#IAmEastRiding

£39513 - £41511

Full-Time | Permanent | Goole/Home working

Closing Date: 29 June 2025

Interview Date: week commencing 14 July 2025

An exciting opportunity has arisen to join the Food Services Team as a Food/Trading Standards Officer.

We seek an officer with significant experience of Food Standards and Feed Hygiene inspections, sampling and enforcement. Whilst this post is equivalent to that of a Trading Standards Officer competent to deliver official food controls, the role is open to suitably experienced applicants with the comparable qualification and capacity to fulfil the competency framework requirements of the Food Law Code of Practice.

Main areas of responsibility will include enforcement of food standards legislation across a range of food businesses including caterers, retailers and manufacturers. The role also includes enforcement of feed hygiene legislation, investigation of complaints and advising food and feed businesses. You will also support officers within the team and deputise for your line manager in their absence.

Professionalism and the ability to work both independently with minimal supervision and as part of a team towards shared goals are essential. Good organisational and communication skills are also required as is a full driving licence as you will be required to make front line visits.

If you are looking for a challenging and rewarding role, are resilient, adaptable to change and have good interpersonal skills then this role could be the job for you.
