Trading Standards

Shape Change. Drive Excellence. Protect Hampshire.

As Hampshire prepares for Local Government Reorganisation, you'll help shape the future of regulatory services, lead high-performing teams and drive a modern, intelligence-led approach to protecting consumers, supporting businesses and delivering public value.

Using your professional expertise, you'll help direct service priorities, drive continuous improvement and support the delivery of a broad programme of regulatory work, with a particular focus on Food, Feed and Animal Health.

We offer:

- Supportive and collaborative working environment
- Flexible, family-friendly working patterns
- Generous leave, sick pay and pension contributions
- Professional development opportunities
