Trading Standards Team Leader

Job Identification: 1627

Overview

We are seeking an experienced and motivated Team Leader to lead a high-performing Trading Standards team. This is an exciting opportunity for an ambitious professional to drive complex investigations, safeguard residents, tackle financial crime, and support the development of a skilled enforcement team.

The role is available at two levels:

Level 1 – Team Leader (Trading Standards Qualified)

Salary £49,590 - £54,927

Suitable for an experienced Trading Standards professional looking to progress into a leadership role.

Level 2 – Team Leader (Trading Standards Qualified and an Accredited Financial Investigator)

Salary £58,239 - £63,690

Suitable for an Accredited Financial Investigator with experience of financial investigations and asset recovery under the Proceeds of Crime Act 2002 (POCA).

About the role

You will provide operational leadership across a varied portfolio of Trading Standards, ensuring that investigations are conducted professionally, lawfully and effectively.

You will supervise officers, allocate resources, monitor performance and act as a source of professional expertise on complex investigations. You will work closely with internal and external partners including law enforcement agencies, regulatory bodies, legal services and regional networks.

The successful candidate will be passionate about protecting communities, delivering excellent outcomes for residents and supporting the professional development of staff.
