Today's Trading Standards Service has to be forward thinking and agile.

Far from a traditional Service we have been quick to adapt to the environment around us. At the forefront of commercial support to businesses having local, regional, national and international impact, the Service is also regarded as a lead in partnering social care professionals in safeguarding the vulnerable residents of Nottinghamshire.

We are looking for officers to join our team who are equally able to deal with organised criminality, safeguarding the vulnerable and delivering support to business.

With our strong record for developing officers the right candidate will be provided opportunities to increase their skillset and progress through our four tier career scheme.

You will have relevant Trading Standards experience with the DCATS (DTS or DCA) qualification or be working towards the DCATS professional qualification. Appointment to a salary grade will depend on your level of Trading Standards qualifications achieved and Trading Standards experience.

If you are highly motivated and want to work in a team that offers excellent service to the communities of Nottinghamshire, and have the opportunity to fully develop your potential, we would like to hear from you.
