- (a) the singular includes the plural and vice versa
- (b) words in capitals include lower case and vice versa
- (c) word importing persons shall include corporations and other legal entities.

1. The Supplier

1.1. The Supplier is notified and registered with The Information Commissioner's Office (ICO) under Data Protection Legislation as a Data Controller.

2. Roles and Responsibilities

2.1. The parties hereby record their intention that, for the purpose of the Data Protection Legislation, the Customer shall be the Data Controller and the Supplier shall be the Data Processor in relation to the processing of Personal Data in the course of the Services being provided by the Supplier.

2.2. To the extent within the Customer's control having regard to the Supplier's obligations under this addendum, the Customer shall be solely responsible for the accuracy and quality of the Personal Data it provides to the Supplier for processing under the Agreement.

2.3. In fulfilling obligations under data protection legislation and the FOIA/FOISA Customers and Users will comply with guidance issued by the Information Commissioner, the Scottish Information Commissioner, the Department of Constitutional Affairs and with any other guidance provided by organisations.

2.4. Each party to the extent it processes or controls any Personal Data, has in place appropriate technical and organisational security measures against unauthorised or unlawful processing of Personal Data and against accidental loss or destruction of, or damage to, Personal Data and it has taken all such measures as may be necessary to ensure that it complies with its obligations under all applicable data protection legislation in its performance of its obligations under this agreement.

3. Processing of Personal Data by the Supplier

3.1. The Supplier will use the information and Personal Data supplied by the Customer solely for the purpose of providing the Services and in fulfilling its obligations under this Agreement and complying with any financial and regulatory requirements.

3.2. The Personal Data supplied by the Customer will be used by the Supplier for the purposes of:

3.2.1. managing the contract, invoicing and processing payments;

3.2.2. creating any administrator or user login accounts; and

3.2.3. supplying the Help Desk Service.

3.3. The Supplier will process Personal Data and support the Customer in respect of compliance to Data Protection Legislation as set out in the Supplier's Data Protection Policy document. A copy of this can be made available upon request.

4. Customer Information entered into the Product

- 4.1. The Customer is the Data Controller for all information it enters or uploads into the Service, including Personal Data.
- 4.2. The Customer is responsible for managing and processing any such Personal Data in compliance with Data Protection Legislation.

5. Sub-Processors

- 5.1. The Customer hereby generally authorises the Supplier to appoint any Sub-processors necessary in connection with delivery of the services provided by the Supplier to the Customer under the Agreement.
- 5.2. Where any Sub-Processor is, or has been, appointed the Supplier will remain liable to the Customer for all acts or omissions of such Sub-processor as though they were its own.
