

Animal Health and Welfare Exemptions

CTSI recognise that individual may have completed previous historic qualification with CTSI which could have included elements of Animal Health and Welfare.

CTSI has received the current requirements of the Animal Health and Welfare qualification and has mapped previous qualification against these training materials, distance learning materials and assessment requirement outcomes.

If this been agreed that if a person wants to achieve the 2021 Animal Health and Welfare qualifications and already holds:

- DCATS with Animal Health and Welfare
- A certificate of competency in Animal Health and Welfare

Or

- DCA paper in Animal Health and Welfare

To achieve the 2021 qualification, you will:

- Have access to the online learning materials
- Complete the oral assessment
- Complete the case study
- Exempt from attending the 5 day course
- Exempt from the online multiple-choice questions
