

CTSI Professional Competency Framework

Chartered Trading Standards Institute

Verifier (formerly External Verifier) for TSEM North covering:

Derbyshire CC, Lincolnshire CC, Nottingham City Council, Nottinghamshire CC and Rutland CC.

A role within the CTSI Professional Competency Framework (CPCF) qualification as a Verifier for portfolios from the listed local authorities, is available. The successful applicant will work closely with Assessors of portfolios from these local authorities.

Minimum requirements needed:

- experience as an Internal Assessor and Internal Verifier under the Trading Standards Qualifications Framework (TSQF)
- a minimum of 5 years' experience in trading standards and is a CTSP or willing to work towards CTSP within 12 months of appointment;
- hold a valid trading standards qualification (DCATS, DCA, DTS (and antecedents));
- time management skills;
- attention to detail;
- commitment to delivery on the requirement of the competency framework throughout the year as required; and
- intermediate level of IT skills to be used with systems in the new qualification.

Please send your CV and covering letter to qualifications@tsi.org.uk.

Closing date: Monday 8 November 2021.
