

## Stage 3 - Advanced Practitioner Project

All of the information regarding Stage 3 of the CTSI Professional Competency Framework has now been uploaded onto the [CTSI website Qualifications Resources area](#) and can now be accessed by anybody wishing to undertake the Stage 3 element of the CPCF.

Stage 3 Advanced Practitioner requirements is a completion of a project. This can be undertaken if you already hold DCATS or have completed both Stage 1 (TSPC) and Stage 2 (TSPD) in full.

Registration for Stage 3 is not yet open, an additional announcement will be provided once this is available on the online booking page.
