

## Candidate information

# Important Exam Info

1b

### Please read and ensure you:

- take your **exam entry letter** and **photographic ID** to all exams (*access to the exam room will only be gained on production of the above two items to the exams listed*).
- arrive at the venue at least 15 minutes prior to the start of exams.
- follow all instructions provided by the Senior Invigilator at the start of your exam.
- place any belongings in the place designated by the Invigilators.
- mobile phones should be switched off and placed with your belongings. If you do not have any belongings, speak with the invigilator to inform them you have a mobile phone, they will take this from you until the end of the exam.
- do not take any other form of electronic devices into the exam room.

### On the day of the exams

- For written/practical/oral and professional interview exams, a **smart dress code is expected** when taking exams.
- Lunch is not provided at any examinations including the practical/oral and professional interview exams.
- We would remind you a professional conduct is expected at all times.
- The Qualifications and Awards Board would remind you that for practical/oral and professional interviews, the discussion of the content of these exams with other students is prohibited.
- CTSI staff members will be in attendance at the practical, oral and professional interview exams - all personal items left unattended are the responsibility of the candidate.
