

## Summary - Intro to Unit 4 Product Safety

### UNIT DESCRIPTION

This unit will provide you with the knowledge and understanding of product safety legislation and how it structures and facilitates the role of market surveillance operations and strategies to ensure the safety of consumer goods in the market.

### Learning Outcomes:

At the end of this module the student will be able to demonstrate:

- The Legal provisions that regulate produce safety, including general regulation and harmonised sectoral regulations requiring CE marking, in particular Electrical Equipment, Toys, Machinery, Cosmetics and General Product Safety Regulations.
- The role of conformity assessment and traceability in ensuring product safety, and the documents used to demonstrate it.
- Obligations of economic operators.
- Market surveillance and enforcement obligations and Powers.
- The role of product and process risk assessment and the different types of corrective action.
- The role of customs authorities in product safety market surveillance.
- The role and use of RAPEX, ICSMS.
- Regulations 765/2008, Decision 768/2008 and the Blue Guide.

### Unit Assessments:

**Written exam:** You will register for Stage 2 and complete the associated 1.5 hour written exam and demonstrate the knowledge requirements for this subject.

**Portfolio:** You will complete the associated portfolio and demonstrate the skills requirement for this subject.

### Training:

CTSI offer courses for all units within the CPCF via the Training Together Partnership. You will be taught in line with the unit learning outcomes. It is also expected that you will undertake your own learning.

### UNIT INFO

#### Assessment type:

Written exam (1.5 hours)  
Portfolio (

#### Portfolio Deadline:

Final submission deadline 1 April  
prior to exams

#### Unit designated learning hours:

200 hours (delivered by both  
training and self-learning hours)

Once registered into the CPCF  
more resources and guidance  
can be found on the website.

#### CTSI contact details:

#### Qualifications Team info:

Available Mondays to Fridays.  
9am to 4pm

Telephone: 01268 582242

Email: [qualifications@tsi.org.uk](mailto:qualifications@tsi.org.uk)

## Summary - Intro to Unit 4 Product Safety

---

Access to an on-line portal that provides you with on-going detailed course notes, inter block assessments plus remote sessions, with the trainer and other trainees.

In addition to this, the trainer may choose to provide, via the on-line portal, videos or other learning materials, as they deem necessary; these additional learning materials will be provided throughout the duration of the course.

### Classification of marks

All examinations are marked out of 100% and with a pass mark of 40%.

On passing an examination/coursework you will be graded with the following classifications: Distinction, Merit and Pass.

All effort should be made to gain the highest mark possible throughout the examining process.

Classification	Marks
Distinction	70-100%
Merit	60-69%
Pass	40-59%
Fails	0-39%

### CPCF Regulations and Policies

CTSI published a set of regulations that govern the process and procedures of delivery and candidate requirements for the CPCF. These [regulations](#) can be found on our website.

Please ensure you are familiar with all aspects within the regulations, taking particular notice of any area relating to examinations, coursework and deadlines.

CTSI will publish [announcements](#) surrounding the CPCF qualification from time to time. These are found on the website.

It is important that you are aware of any notifications provided by CTSI throughout the year to ensure you are meeting any/all requirements that the Executive or the Qualifications and Awards Board have identified.
