

## To print materials from the Learning Management System (LMS)

The best browser to use is Chrome and Firefox, however it may depend on the compatibility with the version of browser within your local authority.

Below are the steps to be print the materials of the LMS

1. Open your curriculum:

2. I clicked on the launch button to download the material onto your computer.

3. Downloads will go to the bottom left hand corner of your screen.

4. When you click on this folder you will then see a list of the materials – as below, which you can open and print as needed.
