

BEDFORD BOROUGH COUNCIL

Bedford Borough Council takes great care to recruit the very best people so that the services we provide to our community are first class. We believe that the best work gets done in an environment that's enjoyable and which values, supports and encourages the development of its employees. In return we expect our employees to work hard and be committed to help us achieve our vision and share our values.

## **Environment Directorate Enforcement Officer (Trading Standards)**

**£33,799 - £36,876 per annum**

**Full time; 37 hours • Permanent • Quote ref: 0002667**

An exciting opportunity has arisen at Bedford Borough Council for a Trading Standards professional within the Commercial Regulation Team, responsible for enforcing a range of statutory and regulatory functions, as well as taking a lead role in developing intelligence systems to support delivery of an effective intelligence led service.

Ideally you will have significant experience within Trading Standards with a broad range of knowledge and investigative skills as well as experience of leading on specialist topic areas, to help protect the public and legitimate businesses. In addition, you will hold a

relevant qualification such as DCATs (DTS or DCA) with an interest and working knowledge of intelligence systems used within a modern Trading Standards Service.

Bedford Borough Council is a diverse and exciting place to work with excellent opportunities created by a challenging and varied workload. You will be joining a busy, friendly, and professional team with established technology and working practices that support agile working.

You will have a positive attitude to change and be keen to work in a busy team providing a customer focused, responsive, risk based professional service. You will be highly motivated and be expected to deliver against a challenging work plan.
