

Department for
Business, Energy
& Industrial Strategy

Business Compliance Team Leader

£36,735 - £41,100

Birmingham

Ref: 152387

About the Team:

The Government has announced that OPSS will host the new national regulator for construction products, driving the improvement of safety and performance standards and ensuring compliance with construction product regulations. This will involve collaborating with our partners in Government, local authorities and elsewhere to ensure that public confidence in the safety and performance of construction products is improved and maintained. OPSS, working closely with the Ministry of Housing, Communities and Local Government, is currently preparing for this exciting new role.

About the Role:

This is an exciting opportunity for a flexible and results-oriented individual with the energy to make positive change happen within and beyond OPSS. In this purposeful, and multi-faceted role you will play a part in building our reputation as an exemplar regulator. Candidates will need to be flexible in approach and prepared to lead on a range

of tasks. You will hold specific responsibilities for planning and developing our regulatory capacity, capability and operational approach. It is envisaged that the role will, over the next twelve months and in accordance with the Parliamentary timetable, transit to that of an Enforcement and Compliance Team Leader leading a team of Regulatory Compliance Officers.

Please come to our virtual open session to find out more about the Construction Products & Delivery Team and OPSS. The virtual open session will take place **Friday 1st October 2021 at 4pm.**

Please email opss.recruitment@beis.gov.uk to register your interest and to receive an invite.

Responsibilities:
