

CTSI Professional Competency Framework (CPCF)

Examination roles

Chartered Trading Standards Institute

CTSI are inviting trading standard professionals and academics to join the CTSI Professional Competency Framework in the following roles:

- Regulatory environment and enforcement examiner
- Scottish moderator for examinations
- Scottish verifier for portfolios

Applicants will require a wide range of knowledge and experience across trading standards subject areas and the ability to work to tight deadlines.

A trading standards qualification such as DCATS, DCA, DTS (and antecedents) is required as well as:

- good time management skills
- an attention to detail
- a commitment to deliver the requirements of the CPCF
- an intermediate level of IT skills

To apply:

Please send your CV and covering letter indicating your preferred role to:

qualifications@tsi.org.uk.
