**Location:** FSA locations in London, York, Birmingham, Cardiff or home-based

We are looking for highly motivated and experienced professionals to join us as Senior Executive Officers in our Regulatory Compliance Division (RCD). We have up to 8 posts available in 6 different roles offering a choice of joining us on permanent, fixed term or secondment terms (depending on the role).

The Food Standards Agency (FSA) is a non-ministerial department with a big vision; to use our expertise and influence so people can trust that the food they buy and eat is safe and what it says it is. RCD was recently established to prepare for the challenges of EU Exit and the transition to the modernised regulatory system being delivered under the 'Regulating Our Future' Programme. The Division has two units – Compliance & Standards and Delivery Support – and there are vacancies in each that we want to fill as soon as possible.

You will need to hold one of the qualifications listed in Section 4.4 of the Food Law Code of Practice Guidance or Section 4.3 of the Feed Law Code of Practice Guidance or have a veterinary qualification or be a qualified meat inspector (depending on the role). You will also need extensive knowledge of the regulatory delivery landscape for feed and food in the UK and have front line experience of delivery of official food and/or feed controls with the FSA, local authority or other delivery bodies.

This is a great opportunity to take the next step in your career at an exciting time for the FSA – allowing you to bring your knowledge, expertise and experience to work within a friendly and supportive team. The FSA is part of the Civil Service and offers excellent benefits and outstanding career opportunities.
