

*An exciting opportunity has become available to join our trading standards service.
Whatever your area of Trading Standards expertise, we want to hear from you!*

Senior/Trading Standards Officer

Location: Hertford • **Directorate:** Community Protection • **Job Number:** HCC17241

Salary Range: £32,234 pa progressing to £43,857 pa • **Full Time, Permanent** • **Hours:** 37 per week

Hertfordshire is home to over 1 million people and 70,000 businesses, including many large Primary Authority companies. It is a prosperous county with an excellent quality of life, having a variation of urban and rural communities from picturesque villages and market towns to large residential areas such as Watford, St Albans and Stevenage. Transport links are excellent into London and other large nearby cities.

The service has a proven track record of delivering results on high profile cases by taking an innovative approach. We are looking for an enthusiastic individual who is customer focused and prepared to go the extra mile for businesses and consumers alike. You will have excellent communication skills, a strong track record of achievement and relevant experience of investigating complaints, carrying out inspections, providing regulatory advice and managing projects.
