### **Islington Trading Standards is different, are you?**

We are looking for a brilliant person to work in a fantastic place, to help us make a spectacular difference. Islington Trading Standards is no ordinary service and prides itself on making things happen and unravelling the trickiest of knots.

This post is open to an organised, self-motivated person with very strong interpersonal skills, an inquisitive mind and the ability to keep (very) calm under pressure. It offers an exciting opportunity to be part of a problem-solving can-do team striving to make Islington a fairer and safer place to live. In terms of the other bits, you need to be either DCATS qualified or have a least 4 years' relevant regulatory enforcement experience.

If you have any queries, contact Alonso Ercilla on 0207 527 8909
