

# Trading Standards Specialist Lead

**Salary:** £32,878 to £38,813

**Job ref:** RO-28262

**Working Hours:** 37 hours per week

We are looking for a dynamic and enthusiastic individual with experience of working in a regulatory environment with sound knowledge of the full range of trading standards legislation.

You will be expected to work as a team leader in a busy team, delivering great customer service, have a flexible and resilient approach, sound judgement with the ability to act as deputy Chief Inspector of Weights and Measures.

You will be working with a diverse range of traders, businesses and consumers within our Borough, where an ability to manage the workload of the team effectively is essential.

This is a great opportunity for someone looking for a permanent position in a newly formed team with a 'can-do' attitude, delivering our core functions in new, innovate ways.

You will be based within purpose built, award winning office accommodation in the town centre which is currently undergoing multi-million-pound regeneration.
