

NB18/46 Public Protection Officer – Technical
Grade 9, SCP 29-31, £25,041 per annum
37 hours per week
Permanent

Shropshire Council is seeking an enthusiastic and motivated individual to join the Trading Standards and Licensing Service within its Investigations Team. The post holder will be required to undertake a range of enquires and investigations covering the full spectrum of regulatory functions with a focus on non-food related Trading Standards matters and licensing breaches whilst providing investigatory support to colleagues responsible for Environmental Health and Health & Safety related functions.

The post holder must be able to demonstrate a good understanding and use of investigatory knowledge and techniques within a regulatory environment. Whilst previous experience of working in such a role will be advantageous, applications are also sought from any individuals meeting the person specification and who have the necessary drive and determination to succeed in this exciting and challenging role. The successful applicant will be required to commit to additional training where considered necessary.

The Trading Standards & Licensing Service works directly alongside Regulatory Services and together they are key services within the Council. We aim to:

- Protect and improve health, wellbeing and safety and enable communities to be resilient.
- Create cleaner, safer, healthier and sustainable environments.
- Support economic growth.

The post holders will be required to travel around the County so a driving licence is essential to make use of Council vehicles and your own means of transportation.

Closing date for applications is: 5 August 2018.
Interviews will be held on: 15 August 2018.

How to Apply: You can apply for this job by completing the online application form at <https://shropshirejobs.engageats.co.uk>.
