

SERVICE MANAGER TRADING STANDARDS AND PORT HEALTH

Permanent, £47,482 - £53,855 per annum, 37 hours per week

Closing date for application – midnight on 20th February 2019

Southampton is the 2nd biggest UK container port, a Border Inspection Post, FSA funded imported feed, OPSS Safety at Ports, Tri-Region Investigation Team and National Tasking Group supported investigations, illegal alcohol and tobacco, a pro-active inspection programme, protection of vulnerable consumers from fraud, safe food and drink, parking fraud, all this and more in a diverse and vibrant unitary authority.

If you are willing to take on the challenge we are looking for an experienced manager, able to build on our current performance and to lead our Trading Standards and Port Health Team towards delivering on the council's Commitments.

To be successful in this role you will have excellent written and verbal communication skills, being as comfortable addressing vulnerable members of our community as Cabinet Members, senior officers, staff and regional peers. You will have experience in drafting and presenting papers to senior decision makers, regional and national bodies; preparing funding bids, consultation responses and statutory returns. You will also have a good understanding of decision making and current legal context so as to make robust and reasoned recommendations to both the Service Lead and the council's Legal Team.

You will ensure that enforcement actions comply with statutory requirements and best practice; a sound knowledge of CPIA, RIPA and GDPR is key. You will have a relevant professional qualification within either the Trading Standards or Environmental Health framework or experience commensurate with the position.
