

## Team Leader – Public Protection (Trading Standards)

Ref: 004150 | Salary: £42,000 to £47,337 p.a

37 hours per week

Here in Swindon we understand what matters to our residents: an affordable home, good education, job opportunities and quality of life in a great location, as one of the UK's fastest growing towns. That's why we're working with partners to deliver our ambitious vision for Swindon so that the borough continues to thrive and benefits from well-managed growth, investment and regeneration.

We now have an excellent opportunity for you to join our Public Protection team in a leadership role, at a time where you can really influence and shape the direction of the service. The Trading Standards Service sits within Public Health and together with Environmental Health forms the Public Protection team. Public Protection is transforming; with a much greater emphasis on digital services and case management, mobile and innovative ways of working.

### About the role

You will manage the Trading Standards Team, and will be one of 3 Public Protection Team leaders to deliver the full range of duties, and ensure the effective provision of a range of high quality services. You will ensure that complex complaints or incidents are investigated, and plan, manage and conduct inspections, projects and surveys to ensure compliance with relevant legislation.

### About you

You'll have the Diploma in Trading Standards, DCATS (including Metrology) or equivalent. You'll combine detailed and expert knowledge of Trading Standards within a local authority setting with substantial experience in a Senior TSO role (or equivalent). With a proven ability to lead and motivate others, you will model all appropriate competencies.

You must be fluent in the English language and have an ability to travel throughout the Borough.

In return, we can offer you the chance to lead a transforming team and, supported by the Public Protection Manager, will make your mark in a challenging and supportive environment. This is a full time post, but we are committed to working more flexibly, remotely and mobile, to support our residents and businesses in the best way.

You'll receive:

- Up to £8000 Relocation expenses (eligibility criteria apply)
- Flexible working
- Professional development and training opportunities
- At least 25 days holiday
- A career average revalued earnings (CARE) pension scheme

For an informal discussion, please contact Damon Green, Public Protection Manager [DGGreen@swindon.gov.uk](mailto:DGGreen@swindon.gov.uk)

If you are experiencing technical issues submitting your application please email [resourcing@swindon.gov.uk](mailto:resourcing@swindon.gov.uk)

**Closing date: 30 May 2019**

**Interview date: 13 June 2019**
