

EMPLOYER'S REFERENCE

The assessment panel will be looking to see that candidates have provided evidence that demonstrates their current knowledge and practice in the subject area from which they are claiming exemption.

The following provides some examples of potential areas for comment but is not all encompassing. However please ensure you have included all information you wish the assessment panel to review.

For example:

- Development of skills and competencies
- Use of knowledge in job role
- Continued development of candidates knowledge
- Candidates ability to research and manage information
- Candidates ability to problem solve
- Effective communications
