

Final TSQF update of 2018

TSQF Exams

TSQF exams for 2018 have finished and CTSI would like to wish every success to those that sat exams.

Exam results will be emailed to you on Tuesday 12th February.

Please do not call or email the Education Department requesting your results as we are unable to provide results to candidates directly.

Training course and online CPPD course certificates

Students who attended **Training Together (Collaborative Training)** courses in 2018 should access the Learning Hub and complete the survey for each course in order to obtain their CPPD certificates.

Those who have undertaken the role of **Internal Assessor and/or Internal Verifier** of a portfolio of evidence during 2018 should also access the Learning Hub to complete the Assessor/Verifier online CPPD course(s). Once complete, a certificate can be downloaded and provided to your regional External Verifier (EV).

Certificates and course materials will be available to download from the Learning Hub until 31st December 2018.

Portfolios

The Education Department would like to remind students of the portfolio submission deadline highlighted in the August, September, October and November editions of Leon's Update.

Students should now have submitted their portfolios to their EV.
