Date: Tuesday 28 September 2021, 15:05

“Reform of consumer protection” CMA response to the Government Consultation

Speakers: Craig McClue

This session will cover the CMA's views on the proposals within the Government's consultation, Reforming Competition and Consumer Law. It will explore the proposed changes to consumer rights and the way that the CMA might enforce consumer protection in the future, and importantly, what this means for the future of the consumer landscape.
